

Savaria® Dual Entry Van Conversion

FLEXIBILITY, STRENGTH AND SAFETY

The Savaria dual entry van conversion is the ultimate in flexibility for commercial clients. Ideal for both dedicated accessible taxi service and other commercial applications such as group homes, this vehicle features side entry and rear entry access all in one vehicle. A dual system means quicker loading and unloading as well as maximum flexibility for passengers. Three fold-away seat and a removable passenger seat offers functionality to accommodate both wheelchair and ambulatory passengers. The stainless steel floor minimizes corrosion delivering excellent durability in rigorous commercial applications.

The Savaria dual entry meets all FMVSS (Federal Motor Vehicle Safety Standards) and CMVSS (Canadian Motor Vehicle Safety Standards) requirements. Every vehicle includes Q'Straint QRT and slide 'n' click wheelchair restraint systems for the ultimate in safety and ease of use.
